We are in various retail tobacconist's stores throughout the country and have aggressively built a huge Internet following through our web sites and top quality product. We use Select, Dominican Ligero Long Filler tightly constructed and wrapped in Connecticut Shade Leaf with options for Maduro and Sumatra Leaf as well. Our cigars generally retail between \$6 to \$10 each however for your event, the cigars are discounted to \$4.50 to \$8 depending on size.

\*You can sample our cigars by purchasing a "4 Pack" from our website and we will credit your purchase when you book your event, just save your order number.

**Cigar Servers** - We can also supply you with Cigar Waitresses or Waiters who will "float" the room in modest evening attire to serve your guest's cigars. A Cigar Server will also cut the cigars on your guest's request and help them in choosing a cigar. A Server is \$250 extra, they are not tipped and will roam the event location for up to 2 hours, extended hours can also be requested. The cigar trays can also be rented for just \$100 plus shipping if you would like your own staffperson to roam your event instead. Once again, please inquire early as the availability of our cigar rollers and staff can change weekly.
